Description

Women Leading a Dialogue 3.0 – A Multicultural Women's Empowerment Program, in collaboration with the Young Adults Centers in Akko and Matte Asher. The Partnership recruit Arab and Jewish women from the region, ages 25-55, to the dialogue group. Participants get to know each other, go out on field trips, and celebrate holidays together. While strengthening their bonds, they enhance their leadership skills and learn how to develop a project. With the help of two professional facilitators, one Arab and one Jewish, the participants discuss mutual interests pertaining to being women and mothers in Israel and the Western Galilee. The group then goes to visit some of our US communities. They meet with a variety of audiences, attend services in synagogues, churches and mosques, and inspire communities to form their own dialogue groups. send the group to the US in March or May 2022.
